# APPLICATION TO STAND SKIP BIN / BUILDING CONTAINER

ABN 43 662 868 065

### **THIS PERMIT IS ISSUED SUBJECT TO STRICT OBSERVANCE OF THE FOLLOWING CONDITIONS:**

#### **CONDITIONS FOR PLACEMENT OF SKIP BINS / BUILDING WASTE CONTAINERS / CONCRETE PUMPS**

#### **MAXIMUM SIZE 6M<sup>3</sup>**

*(NOTE: CONTAINERS LARGERS THAN 6M3 REQUIRE SEPARATE APPROVAL)*

1. Council at its absolute discretion and at all times retains the right to cancel this approval, such notice of cancellation to be in writing and addressed to the applicants address as detailed on this form.
2. No waste container or skip may be supplied, stored, placed or otherwise permitted to stand on any public street, inclusive of footpath, or in any public place without confirming to these guidelines.
3. Waste containers shall not be permitted, under any circumstances, in areas where parking, stopping and standing of motor vehicles are prohibited. Council may give consideration to the placement of waste containers on a footpath, adjacent to prohibited parking, stopping and standing areas provided that due consideration is given to pedestrian movement and that any footpath payment and/or underground services are adequately protected from potential damage.
4. The size, shape and colour of all building waste containers placed on public streets should be to the satisfaction of Council.
5. The building waste container provided shall bear the name, address and telephone number of the supplier. In each case after hours telephone numbers shall also be displayed.
6. The applicant is to provide a copy of a Public Liability Insurance policy endorsed in joint names covering the owner or applicant and the Council for respective rights and liabilities against all claims by the public for death, personal injury or damage to property by the owner or applicant, his servants or agents, for a maximum indemnity of Ten Million Dollars (\$10,000,000) including a cross liabilities clause and hoist cranes mobile lifting extension.
7. Each building waste container supplied shall be in good condition and properly cleaned prior to delivery.
8. Each bin shall be provided with warning lights and reflectors to the satisfaction of Council.
9. Council reserves the right to remove or order the removal of any building waste container, despite any approval granted, if such container or the activity associated with it causes a nuisance.
10. Putrescible waste or dangerous or hazardous wastes shall not be placed in any container.
11. The applicant shall be responsible for the removal of any waste deposited in or around the building waste container whether by himself or at his direction or by any other person.
12. The applicant shall be responsible for any damage done to the road, kerb or footpath or to any landscaping in the road reserve due to the placement of building waste container.
13. The supplier shall be responsible and accept responsibility for any damages or injuries, which result from debris spilled from the building waste container during transport. All containers are to be covered during transit.

#### **CONDITIONS FOR PLACEMENT OF SKIP BINS / BUILDING WASTE CONTAINERS / CONCRETE PUMPS**

#### **MAXIMUM SIZE 6M<sup>3</sup>**

*(NOTE: CONTAINERS LARGERS THAN 6M3 REQUIRE SEPARATE APPROVAL)*

14. The supplier shall specify in writing the dimensions and shape of building waste container to be placed.
15. The supplier shall specify in writing the proposed location of the building waste container.
16. Any person not complying with the requirements of Council shall be in breach of s68 and s627 of the Local Government Act 1993, penalty - not exceeding 20 penalty units (42,000).
17. Where a waste container is removed by the Council the owner of the bin shall be liable for an impounding fee of \$1,000 (one thousand dollars) and this impounding fee shall not prejudice the Council from taking any further legal action.
18. Materials impounded with the container which are able to be stored for a period of one (1) month will be so stored after which time they will be disposed of at cost to the owner of the waste bin. The cost will include cartage and disposal of material.
19. A damage deposit of \$ \$1,000.00 is payable by companies as security for damage to the road, kerb or footpath is to be paid with the application. This fee will be refunded subject to there being no breach of any of the conditions of the approval. Council may retain the fee as security for any damage or in satisfaction of any unpaid fees.
20. Waste containers greater than 6 cubic metres require a separate assessment by Council's Urban Services Division and an approval in writing. For further information contact ph 9976 1560.
21. Waste containers of 6 cubic metres or larger are not permitted on footpaths.
